

# JMA – a professional recruitment “service”!

**Over the last eight years JMA Network has been perfecting its candidate resourcing and delivery systems to place us as the Number One Choice for Telecoms Recruitment in the UK.**

During the first five months of 2011, our advertising, database referral, and job board candidate capture techniques have identified over 27,000 new Telecoms industry job seekers across the UK.

And we would like to share these people with you

- We do not operate a high pressure sales environment.
- We ONLY submit candidates after detailed conversation and approval.
- CV submission is NEVER automated.
- Our clients offer at least 80% of JMA candidates at final interview.

**So now the ball is in your court...give us your best shot and discover the strength of our return!**

For Sales, Technical, Back Office, Management or Contract Staff, please call Clive Jefferys, our Business Development Director on 07968 956115 or email him at [clive@jmanetwork.com](mailto:clive@jmanetwork.com) .

He will listen to your needs, recommend a solution built around you, and underscore how the JMA approach is underpinned by maturity, attention to detail, and depth of experience in the Telecoms industry.
